## ABOUT ME

Innovative optimized solution seeker. Excited to be in deployment phase of my new career as an Engineer. Highly Focused with the comprehensive knowledge of designing and developing the layout, visual appearance and usability of a website.

## PROJECTS AND EXPERIENCE

### Mini Profile

- A single page website created with Nextjs and styled with Tailwind

### Weather App

- Webapp created with reactjs with Openweather API integration. It takes the user input and gives the weather info about the input location.

### Nike Store

- A single page website created with Nextjs.

### Travel Company

- Lets the user to plan their vacation by showing different travel packages available. Developed with nextjs.
